

Western Counties Society of Osteopaths

Paul Treweeke.

Paul qualified in Medicine in the Neolithic era (1979)! He entered radiology in 1983, training for 6 years at St Thomas,s and Charing Cross. He became a Consultant at North Devon District Hospital in 1989 and retired in 2016. He was privileged to 'surf ' on the huge developments in diagnostic imaging over that period, constantly retraining as the new modalities came on the scene. He was a general radiologist but sub specialised in interventional radiology, chest imaging and breast radiology. In MRI he had a particular interest in CNS and knee imaging.

Jo Holmden D.O., PgC ACE

Jo has many years experience in private practice, clinical tutoring, undergraduate and posutgraduate teaching and examining both in the UK and abroad.

Jo has worked as a clinical tutor at UCO (previously The British School of Osteopathy) for over 30 years as well delivering both undergraduate & postgraduate jtechnique courses. She has worked with the GOsC as a mentor & examiner and has experience of examining final clinical competence in a variety of settings.

Jo holds a postgraduate certificate in Academic and Clinical Education and her extensive experience as both a practitioner and educator enable her to share a breadth of knowledge in an accessible way.
